Re: *Intermec IP Corp. v. Alien Technology Corp.*
C.A. No. 06-411 (GMS)

Dear Judge Sleet:

We have received the January 5, 2007 letter from Alien's counsel to the Court advising that the North Dakota Court has denied the motion to dismiss that action. In light of that decision, Intermec has today filed an Amended Complaint limiting this action to four patents that are not at issue in the North Dakota case. The Amended Complaint moots Alien's pending motion to dismiss or stay. Intermec believes that this case should go forward on these patents, and requests that a scheduling conference be set.

Respectfully,

/s/ Rodger D. Smith II
